

WARNING READ INSTRUCTIONS CAREFULLY BEFORE USE

Wheeled Marquee Moving Instructions - 4 x 6

Do not move wheeled marquees with protective cover on. Please see moving instructions below.

 Where the wheel symbol is shown this step is for wheeled marquees only.

ONE

Ensure brakes are in the "on" position.

TWO

Remove marquee protective cover. **NEVER** move with cover on.

THREE

Hold marquee with 2 hands.

FOUR

Set brakes to "off" position.

FIVE

Open frame slightly. **Never** move fully folded marquee.

SIX

Grasp one leg and pull marquee in the desired direction. **Never** push.

SEVEN

Apply brakes to "on" position and read "Set Up Instructions".

Attaching Roof to Frame - 4 x 6

Recommended procedure below.  Where the wheel symbol is shown this step is for wheeled marquees only.

ONE

Open frame 75% of full extension.

TWO

Apply brakes to "on" position.

THREE

Position the roof on frame.

FOUR

After fitting the roof on the frame connect the velcro around the legs at the top of the frame.

ROOF CAP

Fit the center of the roof on top of the center pole. If your marquee has a cap pull strings until tight.

TRANSPORTATION

Transportation of marquees.
The marquee must be stood upright during transit. If your marquee needs to be positioned horizontally you **MUST** remove the roof to prevent damage.

Set Up Instructions - 4 x 6

Recommended procedure below. For safety reasons it is recommended that 2 persons set up any marquee.

 Where the wheel symbol is shown this step is for wheeled marquees only.

Pack Down Instructions - 4 x 6

Recommended procedure below. For safety reasons it is recommended that 2 persons pack down any marquee.

 Where the wheel symbol is shown this step is for wheeled marquees only.

FOUR

Unclip roof straps.

FIVE

Pull all roof connector pins.

SIX

Set brakes to the "off" position (do not stand underneath).

SEVEN

Walk marquee inwards until frame is 75% of full extension.

EIGHT

Set the brakes to the "on" position.

NINE

Release velcro straps and remove roof for transportation.

ROOF CAP

IF marquee has roof cap release string until loose.

TEN

Fit the protective cover to frame and store roof in protective cover.

TRANSPORTATION

Transportation of marquees.
The marquee must be stood upright during transit. If your marquee needs to be positioned horizontally you MUST remove the roof to prevent damage.
