### TECHNICAL DIAGRAMS

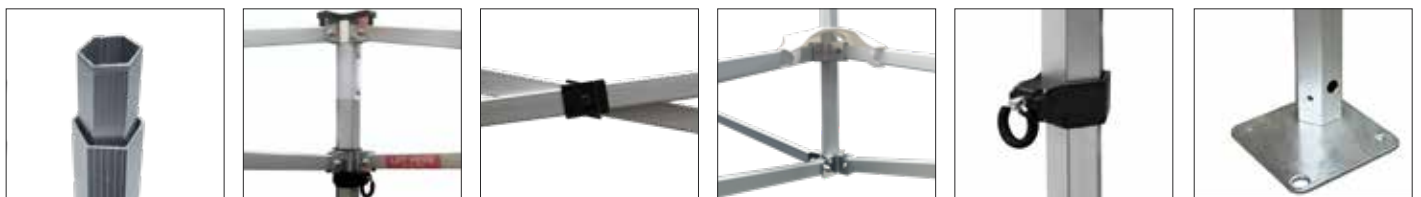

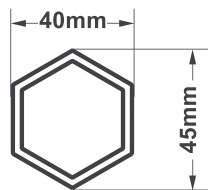

### ADDITIONAL INFORMATION

The X6 Velocity marquee features a stylish hexagonal profile which is essential for strength whilst maintaining a lightweight portable frame. The X6 is suitable for sport carnivals, pop-up businesses and outdoor events or promotions.

The X6 business marquee is available in two frame styles Standard and Compact, up to five sizes, ten roof colours and custom printing available from a single valance print all the way up to full custom digitally printed roof and wall packages.

The compact frame is an ideal solution when there is restricted space in transportation or storage space is limited, the compact frame folds down to approximately 1100mm high and fit most Sedans\*.
